

To create an account at DNAAdoption's teaching site go to <https://moodle.dnaadoption.org/login/signup.php> to create a new account.

Once you have submitted your information you will receive an e-mail to the address you provide with a verification link to complete the registration process. After verifying your account log into the site at <https://moodle.dnaadoption.org/login/index.php>.

In the left column under **Course Categories** select **On Demand**. Then Click on:

 [Intro to DNA 101 - On Demand](#)

Near the bottom of the page is a box to enter the enrollment key, enter **Moodle387** and click on the blue **Enroll me** button.

▼ **Self enrolment (Student)**

Enrolment key

Enrol me

You will receive an email confirming your enrollment. After enrolling you will be taken back to the homepage and the link to the class will show on the left-hand column under **Navigation/Home/My Courses**

▼ My courses

> **Intro to DNA 101 - on demand**

Please read the **Welcome** message link first before you begin the class.

New participants, **PLEASE READ: [Welcome](#)**

Your enrollment is valid for 6 weeks.
